

The gardens

Discover new meadow plantings around the mile-long lake in a freshly revealed landscape, originally by Capability Brown. Explore Tom Stuart-Smith's vast, contemporary scheme of 80,000 perennials in the historic Italian Garden punctuated by fountains and topiary.

Meander your way through the Rivers of Grass and Floral Labyrinth, surrounding yourself in Piet Oudolf's signature prairie planting and bold drifts of colour.

We hope you enjoy one of the most impressive, significant and important gardens in Europe.

Frequently asked questions

How can we take a boat or train ride?

The boat and miniature train operate seasonally and extra charges apply. Pick up a timetable at the main entrance, pay for your tickets there or purchase them with cash on the boat or train.

Where can we eat?

The Italian Garden Tearoom and Lakeside Café offer a delicious menu. We welcome picnicking and tables are available by the lakeside and around the gardens. A further 4 restaurants and ten cafés are available in Trentham Shopping Village and Garden Centre.

Is our dog welcome?

We welcome dogs on short leads. Please use the dog waste bins and avoid the playground, maze and barefoot walk. Dogs are not allowed in the Monkey Forest.

I'm a visitor with limited mobility, how can you help?

Most areas of the gardens are accessible to wheelchair users - please ask for a suggested route map. Inaccessible areas are clearly marked as unsuitable. Manual wheelchairs are available on a first come, first served basis from the main entrance. A deposit is required. There are lots of benches around the lake and gardens. Find disabled toilets at the main entrance, the Tearoom and in the Shopping Village.

Can we re-enter the gardens?

Yes, please retain your ticket and show it to re-enter as many times as you like the same day.

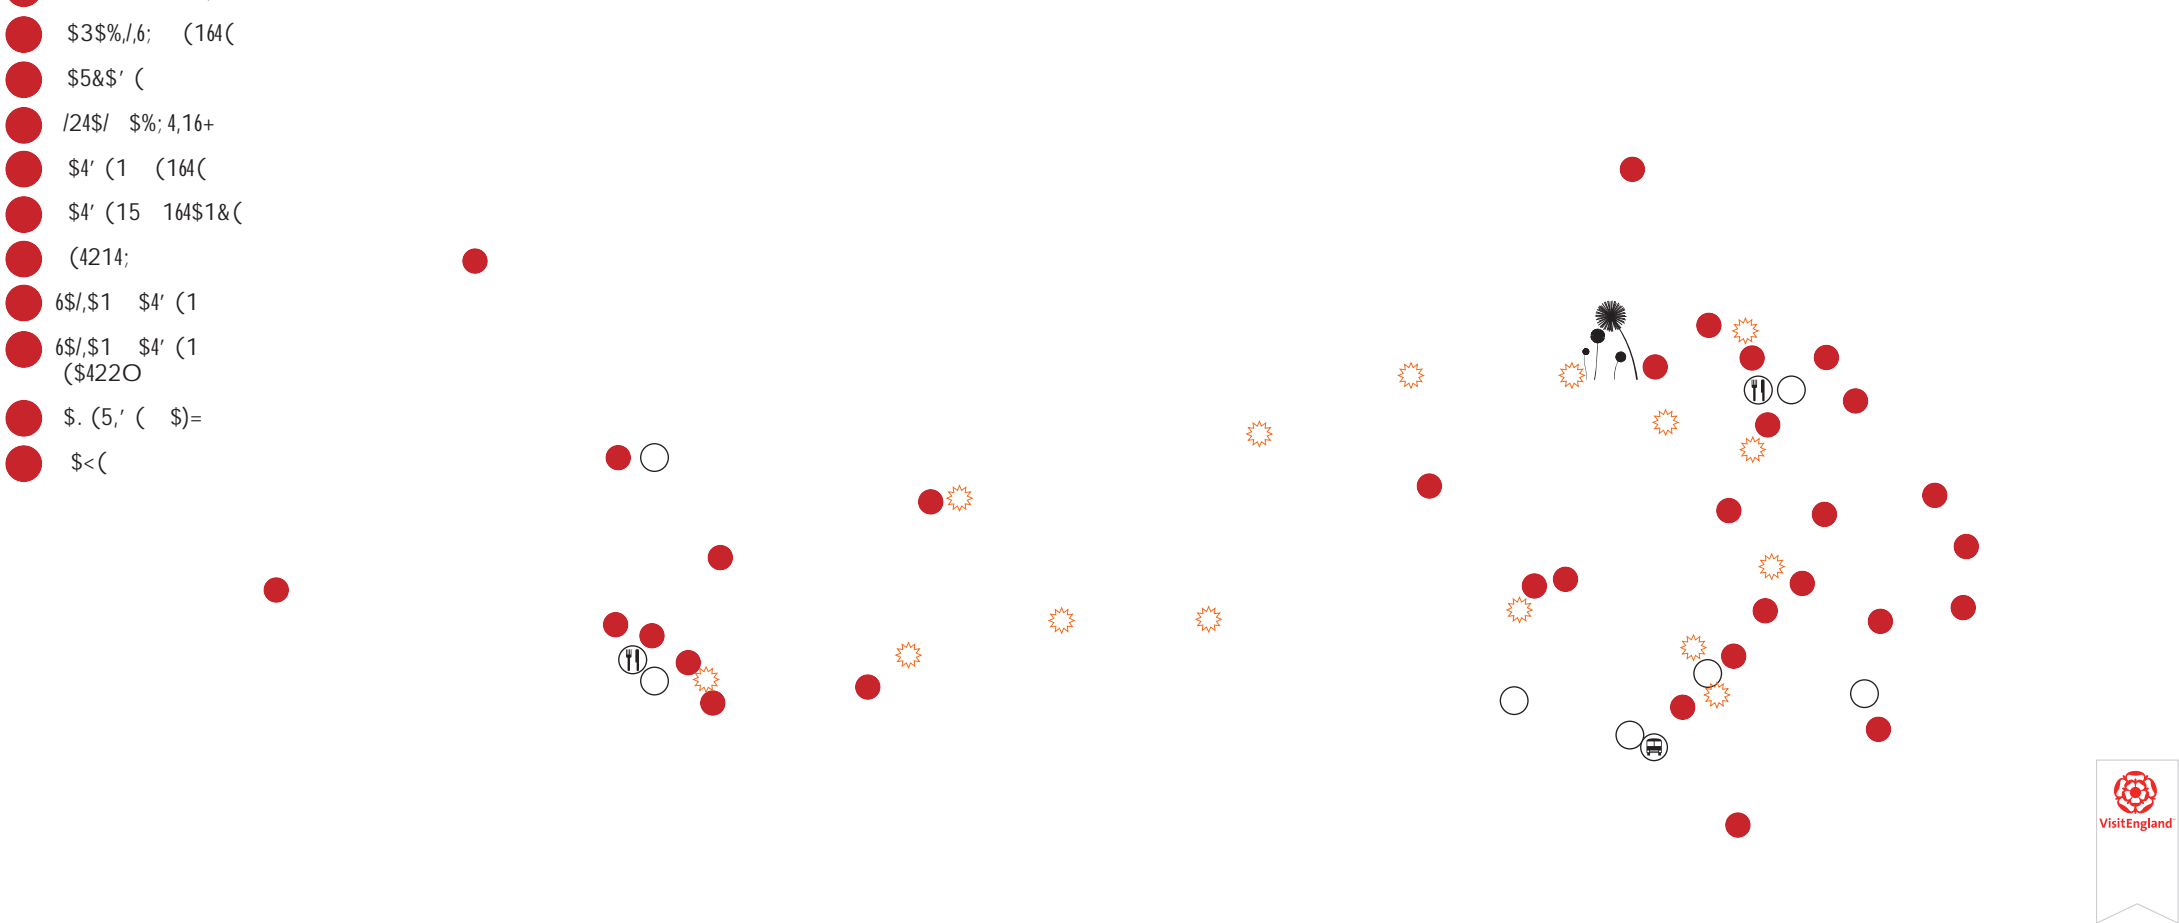

Can we cycle?

Scooters and bikes are only allowed for children aged 4 and under, and should be used at walking pace.
