

Disc Golf Rules

Safety First

Never throw when other players or people are within range. Always give non-players the right of way. Be aware of your surroundings and environment.

Tee Throws

Each hole begins with a tee throw. Tee throws must be completed within or behind the designated tee area. There are 3 types of tees based on your ability: Beginner, Intermediate and Pro.

Throwing Order

The player with the least amount of throws on the previous hole is the first to tee off. After teeing off, the player whose disc is farthest from the hole always throws first.

Fairway Throws

Fairway throws must be made from directly behind the lie of where your disc came to rest. A run-up is allowed.

Unplayable Lie

Any disc that comes to rest above the ground is considered an unplayable lie. Please inform a member of staff if your disc is irretrievable, for example if it gets stuck a tree.

Completing the Hole

A disc that comes to rest in the basket or chains constitutes successful completion of that hole.

Course Courtesy

Please be respectful to other players and Trentham visitors, and place all litter into the bins located nearby.
